**TRIP DESCRIPTION:** Enjoy a beautiful beach with a chair and umbrella included! Our Trip leaders have chosen this site in part because of its shallow beach, calm waters, resort style experience, and electric vibe. Caddy's offers free chairs with a recommended tip required for set up. We have included this "chair tip" in the cost of your trip and will take care of it for you. This way each member will have a chair and shared umbrella ready and waiting without having to "schlep" all the items to the beach. There will be 2 chairs to every umbrella. All you need is your bathing suit, towel, suntan lotion, and some money for your drinks and lunch. Only Caddy's alcohol is permitted on the beach. You can bring your own chairs if you prefer, **no coolers allowed.**

This is Caddy's flagship location with its own private beach on the Gulf of Mexico at beautiful Sunset Beach, Treasure Island. The restaurant is rated at 4.4 stars from 4,924 Google reviewers! The menu can be found in the link below. The beachfront café serves cocktails, seafood, burgers and other casual fare. Signature items include their seafood chowder, cucumber mandarin salad, seafood tacos, impossible burger, and much more. **Regrettably you cannot bring your own drinks, coolers or food onto the beach.** Water in your beach bag is permitted. They do accept cash and credit cards for your drinks and/or lunch purchases. We will leave the beach at 3:15pm and return to The Villages with NO DINNER STOP.

There are no changing rooms at this beach. There are 3 restrooms for ladies and 3 restrooms for men; plus additional port-a-potties.

**NBBC Policies:** We would like to remind members that NBBC buses are a fragrance free zone. Please no glass and cups need to have lids. Food and alcohol is allowed on the bus if in a proper container. A movie will be presented **only** on the return ride. If you have a DVD to bring please make sure it is not blue-ray. We suggest members who are not interested in watching the movie should bring their own noise cancelling headphones/ear buds. If you plan to watch your own personal device (ie: phone, Ipad, laptop) you must have headphones/ear buds to use with it. The bus does have wi-fi and usb chargers to plug into but we cannot

guarantee it is always functional. That is maintenance for Lamers' Bus Line that NBBC does not have control over.
