TRIP DESCRIPTION:

Arrive at St. Augustine to spend 4 hours exploring this beautiful city where Ponce De Leon arrived in 1513 in search of the Fountain of Youth. It is the oldest continuously occupied city in the United States. There are many fine restaurants, pubs, and museums. A few of the many attractions include the Castillo de San Marcos, Fountain of Youth, Lightner Museum, Flagler College, Ripley's Believe It or Not, or the St. Augustine Distillery. St. Augustine has day passes available for the hop on/off trolley along with scheduled historical trolley tours to choose from. Many links provided below will help you find out more about these options.

After your day of touring the city we will meet up at the marina to board the Black Raven Pirate Ship at approximately 4:45pm to set sail and lead the Regatta of Lights. The annual Regatta of Lights is a spectacular, colorful parade of boats of all types decorated with festive lights for the Christmas Holiday. The vessels "parade" before the crowds on the Bayfront just north of the Bridge of Lions. There will be sailboats, sport-fishermen, shrimp boats, trawlers,

and more. The Rum Runners Pirates will entertain you with skits, stories and caroling. Enjoy your favorite libation in their fully licensed **cash** bar. The opportunity to see the 28th Annual St. Augustine Night of Lights city decorations from the ship is a wonderful bonus. This event features millions of tiny white lights that create a magical atmosphere in the nation's oldest city. From roof shingle to doorway entrance, the buildings of downtown will glow in holiday cheer. The boat holds 80 passengers and we have pre-paid for all 80 seats. It is a private cruise for NBBC members.
