All NBBC trips are Non-refundable, participate at your own risk. **Please**

read the trip registrations form for instructions.

TRIP DESCRIPTION:

John's Pass Beach/Park is located on the south end of Madeira Beach directly across Gulf Blvd from John's Pass Village and Boardwalk. John's Pass Park offers public restrooms, outdoor shower area, and covered picnic area. Alcohol is permitted on the beach, no glasses or bottles allowed.

Once you've had enough fun in the sun and sea, you can walk under Gulf Ave on the walkway under the bridge to enjoy all the Village has to offer. The Village provides beachgoers a great opportunity to grab a meal, a beverage, stroll the boardwalk and visit many unique shops. You can simply drop off your beach equipment at your bus as you pass by on your way to the Village.

John's Pass was created by a hurricane on September 27, 1848. A pirate, John Levique, made the first passage through the newly created pass. Hence the name, John's Pass. Located on the waterfront is John's Pass Village, this quaint turn-of-the-century fishing village is Pinellas County's #1 tourist attraction. Over one hundred merchants inhabit the Village with unique retail shopping, a variety of restaurants, the local fishing fleet, dolphin watching and shelling tours, boat rentals, parasailing and jet skiing. There is also a few narrated dolphin sightseeing boat tours available. We recommend contacting one of the boat tour groups in advance to make reservations. Many of these boats have a maximum capacity of 35 guests. If you do not get an advance reservation, you can always check at the Marina booths to see if any openings. The dolphin viewing boats travel the picturesque Boca Ciega Bay for 1 ½ hrs. A couple of recommended tour boats are in the links below.

There are Trolley services that pass by John's Pass Village on Gulf Ave on the Suncoast Beach Trolley. You can transfer to Jolley Trolley if you want to go north of Clearwater. All public routes are ADA accessible, ensuring that everyone can enjoy the trolley's services. Moreover, the interchangeable passes allow riders to access the entire Pinellas County bus system, including PSTA, Jolly Trolley and Suncoast Trolley, offering even more flexibility in your travels. There is a seniors day ticket available if you want to hop on and off. You must have exact change, the drivers do not carry change. Please plan your adventure and allow enough time to be back at John's Pass Park in time for departure home.

JOHN'S PASS PARK AMENITIES: Restrooms and outdoor shower are available. Currently, chair rentals are not available. The entry to John's Pass Beach/Park is at Gulf Ave and 129th Ave. You can bring your own chairs, umbrellas, food, drinks, and coolers. There is plenty of room in the cargo area of the bus to hold your things. There is no concession stand on the beach but plenty of restaurants and shops if you walk under Gulf Ave to John's Pass Village.
