Important Announcement. No more checks. No more postage stamps. No more envelopes. No more handwritten trip forms. We are thrilled to announce we are now making reservations online for members in our automated system. Below in this email is a link for you to use to register and pay for your trip. Registration is first come/serve and you need to complete by October 6th. After the 6th we will advise if opening up registration to Guests. You will be able to register for a single or for a couple. PLEASE, help us by filling in all information including the names of who will be attending. NO MORE THAN 2 PEOPLE CAN SIGN UP AT A TIME.
